

Thank you all so much for your sponsorship **The Basin Oars** did it again!

The 22 mile Great River Race Marathon

from Greenwich S.E. London to Richmond in Surrey, on 5th September 2009

We rowed for Macmillan Cancer Support and have raised over £1600 - SO FAR!!
Please keep giving on www.justgiving.com/thebasinoars/

The Oaring 'Pirates' finished 197 out of 293 boats, in 3 hours 55 minutes, quite an achievement given the spring tide and opposing strong wind, which made for rough sea conditions during the lower 10 miles or so of the race.

100 people were pulled from the water after their boats sank due to these conditions! Fortunately our trusty pink dinghy looked after us once again. **BIG BIG THANKS** must go to our long suffering partners and to all who have sponsored us. Otherwise, how would we have so much fun and so many blisters.....

**WE ARE
MACMILLAN.
CANCER SUPPORT**
